MEMBER TESTIMONIES

"The association has done incredible things for our business. Not only are the other members wonderful about referring clients, but the association also offers great training opportunities like social media workshops that have been extremely helpful." -Repeat Boutique & Design

"Joining MMW has been important to me from both a business and a personal standpoint. Getting my business established in a new, unfamiliar market after a move was beginning to feel insurmountable until I was referred to the organization. My involvement has made it possible to advertise my business and gain exposure for a very reasonable cost and provided outstanding opportunities for me to network and get to know other wedding professionals in the Flathead Valley. On top of that, everybody is just so friendly and welcoming it's been an opportunity to make friends beyond similar businesses working together." -Thewmatt Photography

"I have to admit, I was nervous about making the investment to join the My Montana Wedding Association. After touring the MMW Expo with a friend who is a member, and being introduced to so many incredible vendors, I realized how much I craved the support of other wedding professionals. The very next day, I made my investment – and what a difference it has made! I've already experienced a boost in inquiries, referrals, and bookings for the upcoming wedding season. I'm so grateful to have made this choice and look forward to growing with MMW!" -Joyful Matrimony

MEMBER TESTIMONIES

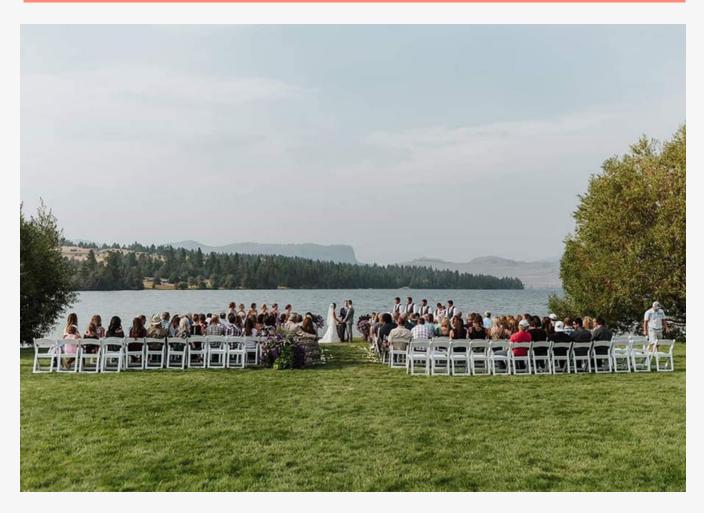

"Joining the My Montana Wedding Association has far exceeded my expectations. I literally joined just to get a discount on my expo booth never imagining the impact being part of such an amazing organization would have on me both personally and professionally! In one year, my bookings have more than doubled, and I was able to quit my full-time job to pursue a career as a full-time wedding photographer! I have learned so much over the past year from networking with other vendors, and have made some lifelong friends! What I love the most is that it really is one big happy family! I have been part of many groups similar to this, but have never found the camaraderie and love for people that this group has! Being a member of My Montana Wedding is literally priceless!"

-Leah Lamberson Photography

"Personally, since I was part of the original group that started this association, I feel a bit like a parent...happy and proud of its growth! Professionally, our group has helped me (and all of us) put a refined, professional face to the wedding business in our area. Here's to many more years of support and success!!"

-Cakes by Debi

"I have only been apart a short while, but the expo has allowed me to let people know I exist. I didn't expect to book any weddings this year from it but I have, and that makes me extremely happy. It's worth it. I can't wait to meet other vendors and build relationships from the association." - A Rose Photography

BRIDE TESTIMONY

"My Montana Wedding,

I won the grand prize last year at your Expo. I wanted to reach out and say thank you! My husband and I got married August 25, 2018, and it was the best day of our lives. Winning the grand prize helped us in so many ways! We were incredibly blessed by this opportunity. With winning this prize, we were able to do and add things to our wedding. This prize also allowed my husband and I to take a honeymoon that we were going to have to wait to take. Coming to this Expo was an experience I will always remember! So thank you from the bottom of my heart; you helped make my dream wedding come true!"
